

**CLASS X**

**ENGLISH COURSE BOOK**

**LESSON 3 - PROTECTING OUR FAUNA**

**NOTES**

**SUMMARY**

- ✚ The North East India is a hotbed of rich flora and fauna.
- ✚ The Sangai deer of Manipur and one-horned rhinoceros of Assam are world renowned.
- ✚ Human greed and selfishness are threatening the very existence of these rare animals.
- ✚ The Indian government has taken up major steps towards the conservation of these fauna.
